

At Gardners Candies, the health and safety of our customers, consumers, and employees is paramount above all else. With more information surfacing about the Coronavirus, we at Gardners Candies want to reassure our customers, consumers and our employees that we are taking every measure possible to ensure that Gardners Candies remains a clean and safe facility.

## Manufacturing Facility

According to Governor Wolf's guidelines for businesses closing, Sugar and Confectionery Product Manufacturing businesses can remain open.

Our building is now under restricted visitation policy. There will be no visitors in our facility unless they have been pre-screened. Additionally, our QA department is increasing the amount of environmental testing.

## Internet Orders

All internet orders are eligible for a 20% discount and FREE SHIPPING on orders of \$29 or more per address.
